Game Changers

Not only do UTSA faculty focus on academic success in the classroom, they bring students into the labs and into the field where, together, they're changing the world.

New treatments for cardiovascular disease are developing in UTSA labs. UTSA faculty chemists focus on turning cancer cells benign. And UTSA is home to innovative researchers hunting the causes of Alzheimer's and other diseases

The We Are UTSA campaign will fund endowments to attract the world's finest faculty and support cutting-edge research.

We are research. We are change. We Are UTSA.

30,000 Reasons

More than 30,000 students have entrusted the biggest investment of their lives in UTSA. They deserve access to exceptional opportunities to succeed and achieve their dreams. They deserve access to excellence.

To help them take full advantage of everything we offer at UTSA, we provide scholarships and fellowships. If you need a reason to give, we've got more than 30,000 of them.

The We Are UTSA capital campaign will provide millions in scholarship opportunities dedicated to our students' success.

We are achieve. We are excel. We Are UTSA.

SERVING SOCIETY

Global Effect

At UTSA, we are dedicated to making our community a better place to live. Every day, we're coming up with fresh ideas to improve our world and serve its citizens.

In San Antonio and beyond, UTSA touches the lives of children, business owners, and environmentalists. We provide textbooks in Africa, youth development in Mexico, and financial management workshops in Texas. Our students restore and preserve our city's historic landmarks for future generations.

The We Are UTSA capital campaign will broaden our reach locally and globally, bringing the world a little closer to home.

We are service. We are impact. We Are UTSA.

Big Adventure

At UTSA, we create a richer, fuller college life for our students. We take learning to the next level, beyond the classroom, out into the world of experience.

Division I football brings excitement; world-renowned speakers bring enlightenment. From student organizations and study abroad to arts and culture, we understand there is more to college than books, and we invite San Antonio to share our appetite for adventure.

The We Are UTSA capital campaign will offer more students the chance for engagement, creating explorers, not just scholars.

We are energy. We are passion. We Are UTSA.
